 Schedule 1: Examples of Prohibited Conduct8

1. Purpose

Basketball Australia, Member Organisations and Authorised Providers are committed to ensuring that everyone involved with basketball is treated with respect and dignity and is protected from abuse, bullying, harassment, sexual misconduct, unlawful discrimination, victimisation, and vilification.

This Policy seeks to ensure that everyone involved in basketball is aware of their rights and responsibilities. This Policy sets out the minimum standards of behaviour expected of those involved in basketball and the behaviours that are not acceptable ('Prohibited Conduct').

Each Member Organisation and each Authorised Provider are responsible for applying this Policy in relation to Participants, Clubs, Competitions and Events under their jurisdiction.

2. Scope and limitations

Who the Policy applies to?

- 2.1 This Policy applies to all Participants who are members of Basketball Australia, a Member Organisation or an Authorised Provider, as well as all Member Organisations and Authorised Providers.

When the Policy applies

- 2.2 Participants to which this Policy applies must always comply with this Policy (whilst they are a Participant), including:
- 2.2.1 in relation to any dealings, they have with Basketball Australia, any Member Organisation or any Authorised Provider or their staff, contractors, and representatives;
 - 2.2.2 when dealing with other Participants, or Basketball Australia, or any Member Organisation, or any Authorised Provider in their capacity as a Participant; and
 - 2.2.3 in relation to their Membership or standing as a Participant in general.
- 2.3 The following is not within the scope of this Policy:
- 2.3.1 where an interaction (including social media interactions) occurs involving one or more Participants, and the only link or connection between the interaction and basketball is the fact that one or more individuals are Participants¹;
 - 2.3.2 where Prohibited Conduct occurs in contravention of this Policy, any subsequent conduct, or interaction(s) that, whilst related to the original Prohibited Conduct, no longer directly relates to basketball (even where such conduct or interaction(s) would otherwise be Prohibited Conduct)²; and
 - 2.3.3 where Basketball Australia, a Member Organisation or an Authorised Provider (as applicable) determines, in their absolute discretion, that the alleged Prohibited Conduct would be more appropriately dealt with under a different policy, code, rules or regulations.

¹ Such as two Members of a Member Organisation getting into a verbal or physical argument at a shopping centre, or two Members sending abusive social media messages to each other that have no direct link to basketball.

² Such as where a Member of a Member Organisation allegedly breaches this Policy by physically assaulting another Member at a match, but then the personal grievance(s) between those two individuals spills into issues not directly related to basketball, such as social media abuse or trolling.

3. Prohibited Conduct

3.1 A Participant commits a breach of this Policy when they, either alone or in conjunction with another or others, aide, direct, incite, promote, support, conceal, cover up or engage in any of the following conduct against one or more Participants, in the circumstances outlined in clause 2. Basketball Australia can take action against any participant that, without reasonable cause, fails to promptly report any conduct which is reasonably likely to be Prohibited Conduct in accordance with the sport's reporting or complaints procedures.:

3.1.1 Abuse;

3.1.2 Bullying;

3.1.3 Harassment;

3.1.4 Sexual Misconduct;

3.1.5 Unlawful Discrimination;

3.1.6 Victimisation;

3.1.7 Vilification or

3.1.8 Any conduct against another Participant that, if proved, would constitute a criminal offence in the relevant jurisdiction.

Schedule 1 sets out examples of what may constitute Prohibited Conduct under this Policy.
